

RS15 & RS20 Series Ripper Shanks

Features	Benefits
35-85 Tractor HP Range (RS15)	Fits many tractors with a Cat. I or Cat. II 3-point hitch.
70-110 Tractor HP Range (RS20)	Fits many tractors with a Cat. I or Cat. II 3-point hitch.
Quick Hitch Compatible	Fits Land Pride Quick Hitch for a quick and easy one person hook-up.
Shanks	1 1/4" wide parabolic shank with shear bolt protection.
Shank Tips	2" wide x 11 1/2" long ripper point with double chrome caps.
Multiple Shank Height Mount Options	24" and 27" from lower 3-point mount - this helps large tractors go deep and smaller tractors get more transport clearance.
