

## PFL & PFLE Series

Features	Benefits
<b>Universal Quick Attach style hitch plate or Euro style hitch plate</b>	The Plate Mounted Pallet Fork can be attached to a wide variety of machines. Note: All PFL series are offered with universal quick attach style hitch plate. The PFLE series offer the optional Euro style hitch plate.
<b>Tall rear guard</b>	Keep loads from slipping backwards.
<b>Attaches to power equipment easily</b>	Uses universal quick attach style hitch plate or Euro style hitch mounting plate for quick and easy attachment.
<b>Easy adjustable Forks</b>	Forks slide easily on carrying bars from one position to another. Simply rotate locking handles up and slide forks to their new positions. Rotate locking handles down to secure forks in their new position.
<b>Five capacities &amp; three fork lengths</b> <b>2,100 lbs. with 42" forks</b> <b>(952.5 kg with 1.07 m forks)</b> <b>3,000 lbs. with 42" &amp; 48" forks</b> <b>(1360.8 kg with 1.07 m &amp; 1.22 m forks)</b> <b>4,500 lbs. with 48" forks</b> <b>(2041.2 kg with 1.07 m forks)</b> <b>5,500 lbs. with 48" &amp; 60" forks</b> <b>(2494.8 kg with 1.22 m &amp; 1.52 m forks)</b> <b>6,400 lbs. with 48" &amp; 60" forks</b> <b>(2903 kg with 1.07 m &amp; 1.52 m forks)</b>	Meets most needs for low cost fork lift handling on customer owned skid steer loader with skid steer mount or front tractor loaders with either a universal quick attach hitch or Euro hitch.
