

Spreading made fast and easy with weatherproof hopper.

Featuring an all-steel frame, frontal splash plate and three available hopper sizes, Land Pride Broadcast Spreaders fit most landscape, nursery, hobby farm, sod farm, and municipality uses.

- Spin-type broadcast for even spreading
- One piece seamless Polyethylene hopper
- Adjustable delivery patterns
- Vinyl cover option to keep the elements out
- PTO Driven

A built in tow hook handles up to 1200 pounds; just right for hauling extra sacks of fertilizer or seed.

Our agitator is standard equipment and is useful when spreading powder type materials that tend to bridge.

Compare to others!
