## Holds up to tough conditions.

Land Pride's RC3620 is the ideal Rotary Cutter for grassy fields, pastures, waterways, buffer strips, and set-aside acres and handles saplings up to 2" in diameter. With tip speeds of 16,000 to 16,500, gearboxes rated at 250 HP and 150 HP, 1-3/4" input shafts, 2" output shafts, and optional CV drivelines, this unit will make quick and efficient work of the largest jobs.

Also available as a 14' offset model: RC3614.

**7 YEAR**  
LIMITED GEARBOX  
WARRANTY

10 Gauge stump jumper is backed with a 1" x 4-1/2" thick blade mounting bar to protect the gearbox seal and output shaft.

Rephasing lift cylinders allow cutter to be leveled using hydraulic cylinders versus mechanical turnbuckles.
