

SGC05 SERIES CLAW GRAPPLES

MATERIAL HANDLING

Quickly handle big jobs.

Move brush, clean stalls, lift debris, and so much more with Land Pride's SGC05 Claw Grapple. The SGC05 will make chores a breeze. Easily grasp, lift, and move a variety of materials making property maintenance easier and less time consuming.

Our SGC05 tines are manufactured from high-tensile AR400 Steel to make sure it stands up to demanding use. For added strength, the frame is made of 2" x 3" rectangular tubing. And it carries the Land Pride name, so you know quality is built in.

Kick stand only on SGC0548

Tines are manufactured from high tensile AR400 steel, making the grapple lightweight, yet extremely durable.

Land Pride 3rd Function Valve accessory kit adds versatility to your tractor.

30" Jaw opening and open back for good visibility from tractor seat.
