

# SGC10/15 SERIES CLAW GRAPPLES

HP REQUIRED  
30-135 HP

HITCH  
Universal Quick-Attach

MATERIAL HANDLING

## Make quick work of large jobs.

Land Pride's SGC10 and SGC15 Claw Grapples make quick work of large jobs. The SGC can be used to rake, dig, and move rocks, trees, brush, and construction debris without picking up dirt. The compact design minimizes weight while preserving lift capacity. The SGC comes complete with the durability that Land Pride is known for. Our Claw Grapples are ideal for an all-purpose grapple.

SGC10

SGC15

Tines are manufactured from high tensile AR400 steel, making the grapple lightweight, yet extremely durable.

All pivot points feature 1-1/4" greaseable pins for longer life.

6" x 6" Frame tube for strength and serrated teeth keep material from rolling out.
